Notes	Rest and recovery
XP earned	Minor rest: one hour of rest, recover Fatigue, extinguish all light sources lit before the rest began.
XP spent	Major rest: make camp, extinguish all light sources lit before the rest began, eat one unit of food (optional), rest for six to ten hours, recover Fatigue and Burn, recover injuries if food was eaten, extinguish all light sources lit during the rest.
	Injury recovery: three separate injuries each heal by 1. Pre-recovery critical injuries count as two choices.
